Energy Efficient Heating and Cooling

Plymouth Sustainability Update

Mark Reil Sustainability Coordinator
Town of Plymouth

All About Heat Pumps

Loie Hayes Energy Efficiency
Coordinator
Green Energy
Consumers Alliance

Part two of our Sustainability Series will provide an overview of how heat pumps work, performance during very cold weather, various configuration options, and available incentives. Our speaker will also discuss how to find a contractor, and testimonials will be provided from homeowners on their heat pump installation process. Register to be eligible for door prize drawing (must attend in-person to participate).

Light refreshments will be served.

Monday, June 26

7:00pm - 8:30pm
