All About Solar Panels

Phil Angell **Solar Designer**
*Consultant and
Licensed builder*

Tuesday, July 25

7:00pm - 8:30pm

Fehlow Meeting Room

PLYMOUTH PUBLIC LIBRARY

**132 South Street
Plymouth, MA 02360**

Part three of our Sustainability Series will provide an overview detailing how solar panels work, assessing your roof's suitability for solar panels, what's entailed in installation, and leasing vs purchasing. Our speaker will also review options like battery storage, planning capacity for electric car and heat pump, available incentives, and finding a contractor. For those who cannot or choose not to install solar panels, Community Solar will be discussed. Homeowners will share testimonials on their solar installations. Register to be eligible for door prize drawing (must attend in-person to participate).

Light refreshments will be served.
