Majority Rules is a groundbreaking documentary that poses the question “What if changing the way we vote could change everything?”

In 2022, 120 candidates in statewide and congressional primaries won their election with less than 50% of the vote and dozens won with over 2/3 of voters voting for someone else.

Does that seem like majority rules to you?

There are election reforms that may allow the actual majority to rule and...

- ✓ Save money
- ✓ Increase voter turnout
- ✓ Discourage negative campaigning

"One form, Ranked Choice Voting, has already been adopted by over 60 jurisdictions with bipartisan support (Cambridge and Easthampton in Massachusetts), in 24 states - for local elections and in Maine & Alaska for statewide elections.

Join the League of Women Voters of the Plymouth Area in viewing this new documentary - MAJORITY RULES- to learn how changing the way we vote could change everything. A discussion of the concept will be held after the movie for those interested and a mock election will be held where you can vote the ranked choice voting way yourself in an important election: best cookie!
